

Sign in using Swipecard - THIS MEANS THAT MEMBERS CAN USE THEIR SWIPECARD TO SIGN INTO COMPETITIONS (or use their name, as previously). Swiping your card or using your name will bring up your members details and show the normal sign in screen.

Pay Competitions using Swipecard – the other main change for the 2018 season is that we will now use the competitions purse on the swipecard to pay for competitions. There are 2 purses on the swipecards—one for Bar/Catering (called EPOS), and the second one for Competitions.

The purses will contain two separate amounts of money which must be topped up separately and can only be used to pay for their intended use. THIS MEANS THAT MEMBERS WILL NEED TO TOP UP THEIR COMPETITIONS PURSE, AND WHEN SIGNING IN, COMPETITION FEES WILL BE DEDUCTED FROM THE CARD. There will be a small overdraft facility of £5 available if a member has forgotten to top up their competitions purse.

Prize money and 2s payout will also be made using the card system and credited to players swipecards. This will be administered by the Office and members who have a balance of £30 or more on their competitions purse will have the option to request a transfer of funds to either:

- 1) their Bar/Catering purse on their swipecard
- 2) their Pro Shop Account,
- 3) pay it to the Office to be set against payment of future Membership Fees
- 4) receive payment as a Scottish Golf Voucher.
