

LEARN TO GOLF
PROGRAMME

JUNIOR COACHING

INTRODUCTION

“The Learn to Golf Programme is geared towards getting more kids playing the game, having fun and enjoying their golfing experience at the club. The focus is on getting children out on the course earlier and encouraging their development through reward and a sense of achievement. It’s great that young people themselves have had an input into the programme, as well as experienced PGA professional coaches”

Paul Lawrie OBE Open Champion

WHAT IS LEARN TO GOLF

The Learn to Golf Programme, through Scottish Golf, is part of Scotland's National Junior Golf Framework. It offers children an opportunity to learn to play golf following an all-inclusive five level junior golf pathway
